

Glove poppit®

gloves, bags & bottles

The Glove Poppit is a simple, effective and inexpensive way to dry and store gloves, bags and bottles.

A Glove Poppit

- ✎ dries & prolongs the life of gloves
- ✎ keeps gloves smelling fresh
- ✎ dries bags & bottles too
- ✎ reduces clutter & keeps worktops tidy
- ✎ has a small footprint
- ✎ is one size fits all
- ✎ can be easily moved around the house
- ✎ costs little

Glove Poppits are for anywhere gloves are used:

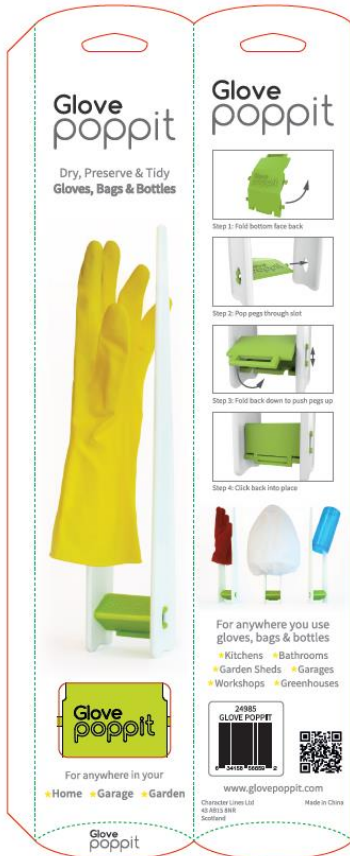

- ✎ kitchens
- ✎ bathrooms
- ✎ garden sheds
- ✎ garages
- ✎ workshops

The Glove Poppit has a modern stylish design that incorporates a “living hinge” for quick assembly and dismantling.

The living hinge is made from polypropylene and can therefore be made in a vast range of colours.

Glove poppit[®]

gloves, bags & bottles

The Glove Poppit comes flat packed in a light cardboard sleeve:

- ✎ easy to display, transport and store
- ✎ uncomplicated postage
- ✎ plastic window allows customer to see the product
- ✎ standard Euro hanging tab

The Glove Poppit was developed at home and has been through several incarnations to arrive as a tried and tested design solution to a perpetual domestic problem.
